DON - KDØHHN

SCHEDULED FCC VE TEST DATES FOR YEAR OF 2022

DATES FOR 2022 :

October, 12, 2022

Registration is requested at least 72 hours before the exam session by contacting the team liaison, Ed Turner at 573-541-9130, or n0wnv.et@gmail.com. If enough VE's are present at the meeting night, any walk ins will be able to test that evening.

The 2020 test fee will be unchanged at \$15.00. It goes to ARRL/VEC. Bring a photo ID (or two non-photo ID's); if currently licensed, bring the original and a photocopy of your valid FCC license; and if you are claiming credit for successful completion of an exam, bring the original and photocopy of any applicable CSCE's.

Exams will take place at 8:00 PM after the regular scheduled HARC meeting.

WALK INS ARE WELCOME.

HARC CLUB DUES:

HARC annual dues are due each January. The dues are very important and are needed to keep repeaters up and running, plus other expenses of the club. The yearly dues fee is \$20.00 per member, & \$5.00 for each additional family member. You can pay at club meetings, or send the money to HARC, P.O. Box 1522 Hannibal Mo, 63401. Thanks!!

Hannibal Amateur Radio Club
Monthly Meeting Minutes
Al Tabor N9MAF, Secretary

Call to Order

The monthly meeting of the Hannibal Amateur Radio Club was called to order at 7:00 PM by club treasurer Ken KE0KCQ. The following members were present: Kenny (KE9KCQ), Al (N9MAF), Martin (KD0TMJ), Allan (K9AJC), Joe (W6JFL), Robert (KF0IHM), and Jody (KE0OAA).

Proposals for Membership:
None

Changes/Corrections to minutes of previous meeting:
There were no changes or corrections to be made to the minutes from the last month's meeting. Allan (K9AJC) made a motion to accept the minutes as published and Joe (W6JFL) seconded. The motion was approved by voice vote.

Treasurers Report
Ken(KE0KCQ) made the following Treasurer's report:
Last month's checking balance: \$2852.44
This month's checking balance: \$2874.44
CD balance: \$1344.63
Petty cash: \$40.00
Total club assets: \$4259.07

There was a deposit of \$22.00 from the 50/50. Jody (KE0OAA) made a motion to accept the the treasurers report as read and Joe (W6JFL) seconded. The motion was approved by voice vote.

Repeaters:
Al (N9MAF) reported no issues with either machine. Joe (W6JFL) inquired

about the timeout time on the 625 machine. He also said he was receiving noise on the 146.625 frequency when in the Perry area. Al suggested he check the decode tone on his receiver. There are other repeater on that frequency with different sub audible tones and he might be getting noise from one of them. By setting 103.5 tone on his receiver decode should end the problem.

Old Business:

Ken (KE0KCQ) brought up the planning for the possible hamfest. He had been talking with Don (KD0HHN) and they think planning for a spring fest would be better. Don also said he had been in contact with the Quincy and Pittsfield clubs and they were interested in joining with us to put on the event. Ken (KE0KCQ) said he will check for open dates and cost of renting the old armory in Hannibal sometime in April 2023. Several other ideas were discussed for the event. The subject of having testing at the event was brought up. It was pointed out that testing would have to be separated from the fest main area due to the fact that you can't charge someone that wants to only test the cost of a ticket to the hamfest.

New Business

Joe (W6JFL) inquired if access to past club newsletters was possible on the club web page. No one was sure and it was suggested to check with either Don (KD0HHN) or Cliff (K0CA). Al (N9MAF) said he and Don (KD0HHN) both had past meeting minutes on flash drives.

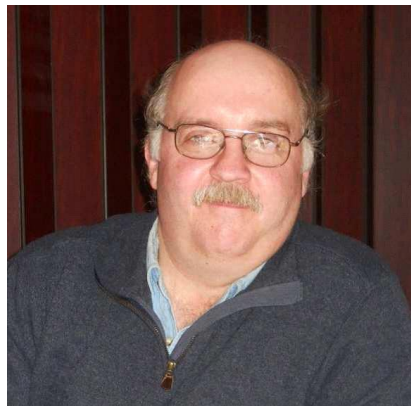

50/50

Martin KD0TMJ won the drawing and donated his share back to the club.

With no other business a motion to end the meeting was made by Joe W6JFL and seconded by Allan (K9AJC) Meeting was adjourned at 7:32 PM.

FROM THE PRESIDENT'S DESK
BY DON VARY KDØHHN

Hello everyone, I am glad to see that there is an interest in getting a hamfest going in the area. I am not looking for this to be something on the order of Joplin or Collinsville, but it would be nice to see one in the area. Both the Quincy and Pittsfield clubs have said that they would be interested in helping, so hopefully this will come to fruition. I would also like to thank AI,N9MAF, for taking over the duties as Secretary until the December elections. It will be nice having someone else to take over some of the duties.

Also, even though the month is almost over, I would like to remind everyone that September is National Preparedness Month. This was done after the horror of September 11th, and is designed to make everyone more aware of natural and an-made incidents, It also encourages everyone to have an emergency plan in place, along with necessary supplies. It also encourages everyone to look at joining groups such as CERT or other such groups. We as Amateur Radio operators should do what we can to encourage people to get licensed, because part of our responsibility is emergency communications. Hopefully we are able to find out when, or if, local schools are offering STEM nights and we will be able to attend to showcase Amateur Radio.

With that, I will say everyone stay safe and we'll see you down the log.
